**Louisiana Ethics Board

Baton Rouge, LA 70802**

**Dear Ethics Board:**

***We, the majority of, the Natchitoches Parish Council Members are writing you regarding the actions of the Parish President on September 21, 2020 with respect to purchasing Highway equipment (Front-End Loader).***

***In our opinion the President had no authority to purchase the in-questioned equipment. We disagree with the opinion provided by our Parish Attorney and District Attorney. We are asking for your opinion on this matter.***

***We believe the opinion of the DA does not give the Parish President authority to purchase equipment for the following reasons:***

- 1. First, our Ordinance was to amend the Budget. The Council voted unanimously to amend the Budget.***
- 2. The second agenda item was to purchase a new front-end Loader, it was voted down 3 to 2. (see #5)***
- 3. There was no Ordinance to spend the money. The Ordinance was just to amend the budget.***
- 4. All legal business is done by Ordinance. There was not a separate Ordinance to purchase the new front-end loader.***

**Page 2.**

- 5. The purchase department submitted separate agenda items asking the Council to approve each for purchase. Two other pieces of equipment were approved for purchase, but the front-end loader was not.**
- 6. The Parish Council has the power of the purse and only the Council can approve expenditures. The Parish President acted against the wishes of the Council in ordering the purchase department to proceed.**

**We thank you for your attention in this matter. If you have any further questions, please do not hesitate to give us a call or email.**

**Sincerely,**

**Parish Council Members:**

**Councilwoman Patsy Hoover, District 2**

**Councilman Jim Kilcoyne, District 3**

**Councilman John Salter, District 5**

Offered by John Salter, who moved its adoption and duly seconded by Patsy Hoover.
